

Sailing opportunities for young people aged 12-25 *John Laing* – Adventure Under Sail

Ocean Youth Trust South is offering places for young people on two very special voyages this year. Places are open to both girls and boys aged 12-25, and to complete novices as well as experienced young sailors. Twelve places per voyage.

They will be sailing on board our purpose-built 72-foot ketch *John Laing*, playing an active part as crew members, supported by a team of five or six qualified staff.

Bursary berth scheme

OYT South has bursary funding to help young people who cannot otherwise afford to sail in *John Laing*.

A number of cut-price places are available on both these voyages – please ask. The application process is very simple, and you can qualify for a bursary for all sorts of different reasons – don't assume you won't be eligible, always ask first! Email webmaster1@oytsouth.org for more information.

Voyage 1

Tuesday 27th April to Monday 3rd May
