

Ocean Youth Trust South – Adventure Under Sail

Ocean Youth Trust South is a registered charity which exists to offer personal development through adventure under sail to young people aged 12-25 from the widest possible variety of backgrounds.

Our 72 foot ketch, John Laing, sails with twelve young people plus five or six adult sea staff on voyages ranging from south coast weekends to long-distance challenges – including Tall Ships Races.

Young crew members can sail with an organised group, or come as individuals and make new friends. No sailing experience is required, but people are actively encouraged to get involved in every aspect of the voyage.

Crew members can use the voyage to gain RYA certificates or work towards achieving a Duke of Edinburgh award.

“It has been the best time of my life and I enjoyed it so much I didn’t want to leave.”
