## *John Laing* – Adventure Under Sail

Tall Ships events involve young people from all over the world racing and cruising together in a variety of vessels – not just traditional tall ships.

Ocean Youth Trust South's 72-foot ketch *John Laing* takes twelve crew aged 15-25 on these voyages. Both novices and experienced sailors are welcome – the young crew are supported by a team of five or six qualified staff.

### Bursary berth scheme

OYT South aims to open some places on these voyages to disadvantaged young people who cannot afford to sail.
