

SUMMER ADVENTURE VOYAGES FOR YOUNG PEOPLE
SAILING ON BOARD *PROLIFIC* WITH OCEAN YOUTH TRUST SOUTH

Many of OYT South's voyages, especially in school term-time, are designed for group bookings with schools or other organisations. But in the summer we run holiday voyages for mixed individual bookings, where people aged 11-25 can come on their own or with one or two others, and make new friends.

These voyages are also ideal for DofE Gold Residentials where the rules state that you must be with people you don't already know.

In summer 2024, we have a programme of voyages out of Southampton, Poole, Brixham and Guernsey – including a race against other sail training vessels crewed by young people as part of the RNLI 200 celebrations – no sailing experience needed.

Join us for an adventure holiday in 2024!

"[My son] was absolutely buzzing on his way back in the car on Sunday, telling us all that they had done, how to sail, how good the staff were, how well organised everything was and how nice everyone was! ... It has been many years since we have seen him so excited!! ... He said the crew created a great atmosphere within the team and treated them all as young adults which he really liked."

"I loved every minute of it, it has changed my thoughts about going outside and getting stuck into things."

"It was a truly brilliant five days with many memories made. Everyone was in top form and bonded very well and very quickly. This made the trip 100 times better. A big thank you to all the crew and staff, who were very nice and helpful. I would truly recommend again."

"I wanted to write and say a huge thank you for [my son's] amazing trip with you at the end of August. He returned so enthusiastic about all aspects of sailing, loved the team work and the interaction with others from all walks of life. The energy of the group was clearly electric and he very much hopes to come again. Thank you to everyone for their hard work, patience, enthusiasm and encouragement."

"This voyage has been much better than I ever thought it could be! The mates and crew have been spectacular; there was nearly always a laugh; and best of all when I first boarded I knew nothing of sailing - now it's all I talk about!"
